

Invitation to Bid

Design and Build Scheme - Lampiran Mainlines of 1 MLD Water Treatment Plant for Siboga Water District

1. Siboga Water District (SBD) through the assistance of the Bidder and Award Committee of the Biogas Water District (BWD) now invite bids for the Design and Build Scheme for the 1 MLD Water Treatment Plant for the Siboga Water District. The intended Bidder should be a company registered in the Philippines (PH) 182523506 being the Approved Bidder for the Contract (ABC) to perform under the Design and Build Scheme Lampiran Mainlines of 1 MLD Water Treatment Plant for Siboga Water District under 1913-A-90-2019 and OIA 2017 Project. Bid received in excess of the ABC shall be automatically rejected as per option.
2. The Siboga Water District (SBD) through the assistance of the Bidder and Award Committee of the Biogas Water District (BWD) now invite bids for the Design and Build Scheme for the 1 MLD Water Treatment Plant for the Siboga Water District. Completion of the Works is required in Three (3) months (300 Calendar Days). The Project comprises the design and build scheme for the water development within water-treatment under structure: pumping equipment, 3 MLD capacity water treatment plant facility, 30 (thirty) round water capacity ground reservoir with housekeeping service and protection plant concrete housing structure, primary ground line extension and its distribution infrastructure, protection and installation of various water metering apparatus (including pipe fittings, manifolds of valves and pressure gauges) and knowledge and installation, placing of steel building backfilling including concrete anchor blocks, installation of the ballast, valves and blow-off assemblies and supply of 10 sets of service connection materials. The prospective Bidder should have completed within ten (10) years prior to the date of submission and receipt of bids, a single largest completed contract (SLCC) similar to the Project, equivalent to at least 5% of the ABC. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section 8, Instruction to Bidders.
3. Bidding will be conducted by the Siboga Water District through the assistance of the Bidder and Award Committee of the Biogas Water District (BWD) through open competitive bidding procedure using non-discriminatory "pay-bid" criteria as specified in the 2019 Revised Implementing Rules and Regulations (IRR) of Republic Act (RA) 9184 (R.A. 9184) otherwise known as the "Government Procurement Reform Act". Bidding is restricted to Filipino citizens with Philippine, local, corporate, and partnership or organizations with at least seventy five percent (75%) interest or ownership capital stock belonging to citizens of the Philippines.
4. Interested bidders may obtain further information from Biogas Water District (BWC) Secretariat and Siboga Water District and inspect the Bidding Documents at the address given below during office hours (9:00 AM to 4:00 P.M.).

A complete set of Bidding Documents may be acquired by interested bidders on February 15, March 5, 2023 from the address below and upon payment of the fee for the Bidding Documents, pursuant to the terms and conditions stated by the Bidding Documents.

Siboga Water District through the assistance of the Bidder and Award Committee of the Biogas Water District (BWD) now invite bids for the Design and Build Scheme for the 1 MLD Water Treatment Plant for the Siboga Water District. Completion of the Works is required in Three (3) months (300 Calendar Days). The Project comprises the design and build scheme for the water development within water-treatment under structure: pumping equipment, 3 MLD capacity water treatment plant facility, 30 (thirty) round water capacity ground reservoir with housekeeping service and protection plant concrete housing structure, primary ground line extension and its distribution infrastructure, protection and installation of various water metering apparatus (including pipe fittings, manifolds of valves and pressure gauges) and knowledge and installation, placing of steel building backfilling including concrete anchor blocks, installation of the ballast, valves and blow-off assemblies and supply of 10 sets of service connection materials. The prospective Bidder should have completed within ten (10) years prior to the date of submission and receipt of bids, a single largest completed contract (SLCC) similar to the Project, equivalent to at least 5% of the ABC. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section 8, Instruction to Bidders.

Bids must be duly received by the BWC Secretariat at the address below on or before March 5, 2023 at 10:00 AM. All bids must be accompanied by a bid security in any of the acceptable forms and in the amount stated in Bidding Clause 13.

Bids opening shall be on March 5, 2023 at 1:00 PM at the Biogas Water District Office, BWC Conference Room, Unsanction Street, Poblacion, Siboga City. Bids will be opened in the presence of the bidder's representatives who choose to attend at the address below. Late bids shall not be accepted.
