

# **BAYUGAN WATER DISTRICT**

*Providing a Lifeline for a Lifetime*

## **OPERATIONS MANUAL**

### **Vision**

Bayugan Water District envisioned to serve quality water at all times.

### **Mission**

The **Bayugan Water District** endeavours to foster the rationale that service to humanity is the best worth of life, that is...

To develop harmonious relationship among employees and the public consumer.

To continuously encourage participation and coordination of Local Government Units and other agencies towards quality and satisfactory services.

To continuously and judiciously adopt high technology in the water industry.

# **CORPORATE SOCIAL RESPONSIBILITY VALUE STATEMENT**

Guided by the thrust to serve the BAYUGANONS, the Bayugan Water District will judiciously serve with:

- **MAAGAP**
- **MATAPAT**
- **MAPAGKATIWALAAN**
- **MAKAKALIKASAN**

And be steered on:

- ✦ We shall sustain our commitment to deliver safe and potable water to every Bayuganon within the service areas.
- ✦ We shall endeavor to formulate policies, programs and projects that constitute quality service.
- ✦ We shall continue to identify potential source of water and conserve existing water sources- deep wells and springs.
- ✦ We shall always be reminded that services to general public does not limit only to the delivery of safe and potable water but most importantly the conservation of water sources thus perform series of tree planting activities in line with District's "Plant-and-Grow a Tree Program".
- ✦ We shall continue the assistance extended to Pinagalaan Elementary School specifically monthly mass feeding, provision of school supplies and medical outreach as part of the District's "Adopt-a-School Program".
- ✦ We shall ensure to safeguard the water facilities and the watershed in general thus the organization of "Pinagalaan Bantay Kinaiyahan (PBK)" is instituted.
- ✦ We will continually strive to learn and improve our innermost selves so that we may achieve the highest ideals of public service.
- ✦ We shall afford our employees with just and comfortable working conditions, benefits and compensation to give them equal opportunity and to let them know their value as a unique and important contribution to the Agency.
- ✦ We shall fulfill with heartfelt dedication and utmost commitment - our corporate responsibility.

## **PERFORMANCE PLEDGE**

WE, the Officers and Employees, recognizing the important responsibility we are undertaking in serving the concessionaires of the Bayugan Water District, hereby pledge to carry out with trustworthy and diligent manner the duties and obligations in our role as public servants.

WE commit:

- W** - willingness to serve
- A** - adequate pressure at 24 hours
- T** - trustworthy service provider
- E** - efficiently do our job
- R** - Reliable services
  
- M** - maintain and provide
- E** - economically affordable
- T** - time conscious in
- E** - everything we do
- R** - respect all your rights

All these we pledge because **YOU** deserve the **WATER METER!**

## **RATIONALE**

The veracity of Bayugan Water District's mission and vision is promoted through our transparency to the general public both beneficial to the organization, to concessionaires and to beneficiaries as well- that every transactions and activities undertaken is of honesty and wrapped with responsibility to address the concessionaires demands effectively and efficiently being a public service provider.

The District opts to produce this document encompassing all day-to-day transactions involving agency-concessionaire relationship to make clear on each role as partners in Water Service. Similarly, this will also serve as a fundamental guide to Managers, Engineers, Operators and Employees on the development of detailed operations manual in relation to its aim to deliver quality and satisfactory service to its concessionaires at all times as well as apply the best management norms.

## **BYG-WD PROFILE**

The Bayugan Water District (Byg-WD) water supply was created by virtue of the provisions set forth in Presidential Decree No. 198 and duly operated with the issuance of Certificate of Conformance No. 243 from the Local Water Utilities Administration (LWUA) on April 4, 1983.

Bayugan Water District, a Government-Owned and Controlled Corporation (GOCC), located in Lanzones St., Poblacion, Bayugan City is the lone service provider for safe and potable water that adapts with the Philippine National Standards for Drinking Water to the concessionaires within the District's service areas in Bayugan City.

Its history is truly noteworthy as it was originally established in 1980 but was fully operational in the year 2001 with the help and generosity of our national and local officials and its personnel wrapped with the spirit of volunteerism. From a group of

thirteen (13) volunteer personnel with no assurance of permanent jobs but still sacrificed to work with passion and concern to the people, the Bayugan Water District today became a Category C water district with a total employees of 57 of which 17 are regular and the rest are job orders.

The Byg-WD served 16 barangays with a total service connections of 8,065 and 6,991 of which are active as of December 2015 and expected to continue its increase due to ever-fast growing population and progress of Bayugan City.

The sources of District's water supply are five (5) springs situated at Brgy. Pinagalaan and five (5) deep wells situated at Barangays Poblacion, Noli, Bucac, Sta.Irene and Salvacion. But still continue its researches and plans to explore water sources and advanced enough that the Byg-WD was able to develop a ten-year Development/Improvement Plan encompassing major and minor activities to be undertaken to attain the maximum potential of the District and its services as well. It also served as guide in identifying priority projects including its ideal designs and capacity to meet demands for the betterment of the water system along with the engagement of high technology nowadays.

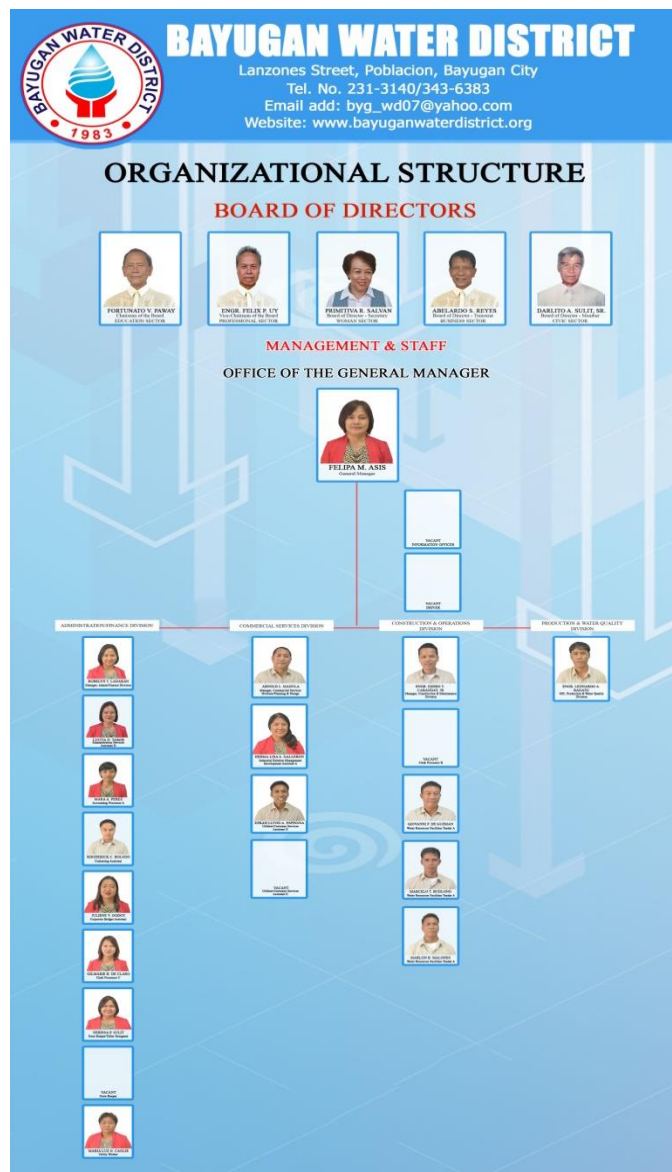

## **ORGANIZATIONAL STRUCTURE**

The Organizational Structure of BYG-WD was approved by the Department of Budget and Management (DBM) following the recommended structure as being Re-categorized from Medium to "Category C" Water District in accordance with the guidelines as provided for under the "Revised Local Water District Manual on Categorization, Re-Categorization and Other Related Matters (LWD-MaCRO) of the Department of Budget and Management(DBM).

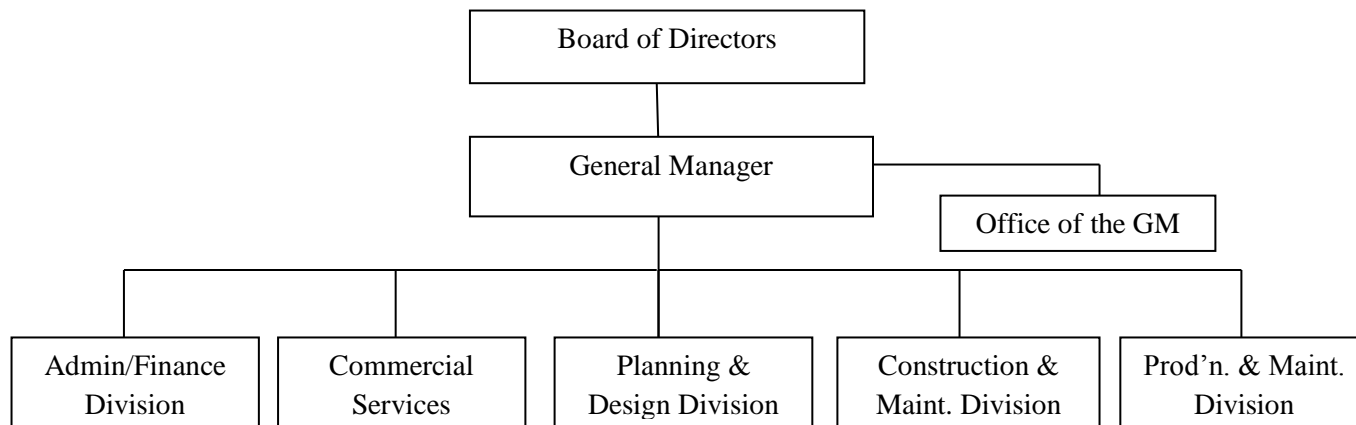

▪ **THE BOARD**

Pursuant to PD 198, otherwise known as the “Provincial Water Utilities Act of 1973” as amended, the Board shall be the governing Body whose functions is to legislate and establish policies necessary for the operations of the District. The Board is composed of members representing particular sectors, namely: Dir. Fortunato V. Paway represent the Education Sector; Dir. Felix P. Uy represent the Professional Sector; Dir. Primitiva R. Salvan represent the Women Sector; Dir. Abelardo S. Reyes represent the Business Sector while Dir. Darlito A. Sulit, Sr. represent the Socio-civic Sector. The General Manager is an Ex-Officio Member of the Board.

Presently, the General Manager (GM) who is appointed by the Board, manages the Water District. The Water District operates and maintains the water supply system that presently composed of Administrative and Finance Division, Commercial Services Division, Construction and Maintenance Division, Production and Water Quality Division and the Office of the General Manager.
